

Ampco Pumps Company

LME

High Efficiency Centrifugal Pump

The NEW LME high-efficiency centrifugal pump offers 100% interchangeable parts with the competing brand and is available in 9 models from size 10 to 550.

New Ampco seal design for the LME pump offers a front-loading seal design. A front-loading seal offers ease of maintenance and is easily convertible to a double seal.

- High efficiency design and performance offers gentle product handling capability up to 1200 cps.
- Heavy-wall construction, tight manufacturing tolerances, dynamically balanced impellers and a self-aligning shaft minimize vibration and promote longer seal life.
- Standard adapters are made of 304 SS to resist corrosion.
- Use of standard IEC Motors
